Subject: MICROSOFT SETTELMENT

HI I HAVE USED WINDOWS FOR 10 YEARS I HAD NO PROBLEM NOT USEING THERE INTERNET. I USED A LOCALE START UP COMPANY CFANET . IT WAS BOUGHT OUT BY ERIENET, THAN VOYAGERNET, THAN CORECOM. THUR ALL OF THAT I HAD NO BLOCKAGE FROM MICROSOFT. WHAT IS THE PROBLEM PUTTING YOUR OWN COMPANY ON WINDOWS. IT IS STILL ON MY START PAGE I DON'T USE IT ???? I AM 70 AND DON'T KNOW A LOT ABOUT COMPUTORS BUT WINDOWS IS EASY TO USE. I AM ON MY 3RD COMPUTER.
THANK YOU GERALD THOMPSON
